

LEVARHT

GREEN BEANS

ORIGIN

Green beans are grown year round, the harvest of the product is only about 2 or 3 months per country before it switches to another country. But with good growers in every country we can supply you year round fresh green on the table.

Green beans have a fleshiness, flavour sweetness and are put on the table in a lot of different countries.

Ask your contact person about the possibilities.

BRINGING — — THE BEST TOGETHER

Connecting people all over the world is what drives us and our business. We want to bring people together to achieve our shared goal - to make our freshest and most delicious fruit and vegetables available to anyone, anywhere in the world, all year round.

Together with our partners we want to realize our shared ambitions. We want to conquer the challenges of fresh fruit and vegetables, find the opportunities in our challenging market and make it all happen.

Bringing the best is not something we can do alone ... we do it together!
