

LEVARHT

# HONEY DEW

## ORIGIN

COSTA RICA

In the culture area of Guanacaste in the north of Costa Rica you can find M Y M and Moyba, our Honey Dew growers. They have experience with Levarht since the year 2000 and dedicate their total production exclusively to us and our customers. They are accompanied by quality control from Rica Fruta S. A., which is our business in Costa Rica. In total they grow on 600ha of land. There is also the possibility of using custom packing.

## BRAZIL

In Brazil we work with growers Mata Fresca, Agricola Famosa and Terra Santa, which are located in the culture territory Barauna. They produce on approximately 150 ha for Levarht. Since 2005 the grower has worked for Levarht under accompaniment of our own quality control. There is also the possibility of using custom packing.

## BRINGING — — THE BEST TOGETHER

Connecting people all over the world is what drives us and our business. We want to bring people together to achieve our shared goal - to make our freshest and most delicious fruit and vegetables available to anyone, anywhere in the world, all year round.

Together with our partners we want to realize our shared ambitions. We want to conquer the challenges of fresh fruit and vegetables, find the opportunities in our challenging market and make it all happen.

Bringing the best is not something we can do alone ... we do it together!
